UNOFFICIAL CANDIDATE-RECALLED RECONSTRUCTION

This file is not an official PPSC-issued question paper. Its post identity and examination date were cross-checked against the PPSC planner/scheduling record where an unambiguous match was available, and against independent candidate-recall archives.

The questions are preserved from a publicly available candidate-recalled reconstruction. Exact wording, sequence and completeness cannot be guaranteed because PPSC does not publish these one-paper MCQ booklets.

Recovered questions in this file: 96. Department/stream: Cooperatives.

Original reconstruction source retained: PACE GK Academy. The source introduction/promotional page and source-provided answer-key page were removed; the source footer/attribution on question pages was retained. CSS Vista branding was added only as a transparent watermark.

Verification classification:

VERY HIGH - official date/identity alignment plus recall-source corroboration
